3. Layer all Designer Series Papers onto Basic White card base.

Use a blending brush with Balmy Blue ink to add a wash of color to Stitched Shapes Circle.

Stamp greeting in Versamark ink onto Basic Black cardstock. Sprinkle on White Emboss Powder, shake off excess, and heat until melted with the heat tool. Fussy cut around the greeting.

Add all focal point elements to the card with adhesive and dimensionals.

## 4. MEASUREMENTS

Berry Blessings DSP: 4" x 5-1/4"

Basic White: 3-1/2" x 4-3/4"

5. Layer Berry Blessings DSP onto Basic White card base.

Stamp sentiment in the middle of the Basic White cardstock in Black Memento ink. On a scrap of Basic White stamp the sentiment in Poppy Parade ink, then fussy cut the "sweet" with Paper Snips.

Stamp the leaf image in opposite corners with Black Memento ink.

Use a blending brush to apply Granny Apple Green ink to both corners over the stamped leaves and fade into the center. Use another blending brush to apply Balmy Blue ink to the center of the card blended out to the corners.

Adhere Basic White panel to card base with dimensionals.

Add stamped strawberry images and flowers with adhesive and dimensionals. Place basic rhinestones in the center of each flower.

Pop up the fussy cut "sweet" with mini dimensionals.
