	<p>2. Cut Basic White cardstock to 4" x 5-1/4" and adhere to front of card base.</p>
	<p>3. Cut a 2" x 5" strip of Merry Bold & Bright Designer Series Paper (fa la la) and adhere along left side of card front, leaving a small border of white showing.</p>
	<p>4. Die cut a large circle with the Stylish Shapes dies from the Merry Bold & Bright Designer Series Paper (lights). Adhere to center of card front.</p>
	<p>5. Cut 2 pieces of Merry Bold & Bright Designer Series Paper(lights) to 4" x 5-1/4". Adhere inside card--top and bottom.</p>
 <p>Score at 1", 2", and 3"</p>	<p>6. Cut 2 pieces of Merry Bold & Bright Designer Series Paper (stripes) to 4" x 4-1/4". Score at 1" intervals along 4" side.</p>
	<p>7. Place 2 strips of Tear & Tape Adhesive on the 1" ends of the striped Merry Bold & Bright Designer Series Paper as shown in step 6.</p>

	<p>8. Fold the striped paper in half, and remove backing off of the adhesive. The adhesive should be on the outside. Place the adhesive ends along the crease of the inner card base. Close card to adhere. This should produce a pop-up "cube" when you open the card.</p>
	<p>9. Adhere the gift card holder to the front of the cube with Tear & Tape Adhesive.</p>
	<p>10. With the second piece of striped paper, remove the adhesive, fold the paper in half with the adhesive on the outside. Line up the paper with the bottom of the cube. Close the card to adhere.</p>
	<p>11. Die cut gifts from Poppy Parade and Lemon-Lime Twist cardstock. Add to the front of the card with dimensionals. Place another gift on the front of the pop-up.</p>
	<p>12. Stamp "sending cheer" in Poppy Parade ink onto Basic White cardstock, fussy cut, and add to front of card.</p>
	<p>13. Stamp "to/from" in Black Memento ink onto the gift card holder.</p>
