## Project Recipe:

### 1. Cut & Score Paper as follows:

Summer Splash Cardstock (card base): 4-1/4" x 8", scored at 1-1/4", 2-1/2", 5-1/2" and 6-3/4"

Summer Splash Cardstock: 2-1/2" x 4", score at 1/2" and 3-1/2"

Summer Splash Cardstock: 2-1/2" x 2-5/8"

Crumb Cake Cardstock: 2" x 5", scored at 1" and 4"

Designer Series Paper: (4) 1" x 4"

Window Sheet: 1/2" x 3"

Basic White(back): 2-3/4" x 4"

### 2. Stamp as follows onto Basic White cardstock scrap:

Submarine in Pretty in Pink

Rotor & Scope in Melon Mambo

Crab in Real Red

Starfish in Petunia Pop

Goldfish in Peach Pie (also smaller set of 3 fish onto back Basic White cardstock)

Algae in Shy Shamrock

3. Stamp "waves" on 2-1/2" x 4" piece of Summer Splash cardstock in Summer Splash ink (could also use versamark).  
Stamp bubbles in middle section of card base in Summer Splash ink.
4. Stamp "sand" in Crumb Cake ink onto the bottom of Crumb Cake cardstock. Stamp greeting in Black ink above sand, slightly towards the right, but before the score line.
5. Fussy cut and/or punch images that were stamped in Step 2.
6. Use the Stampin' Cut & Emboss Machine with dies from the Bright Skies die set to die cut the Crumb Cake cardstock and (2) Summer Splash cardstock pieces. I find it helpful to use POST-IT TAPE to hold these in place.  
Get it here: <https://amzn.to/3JVdQjH>  
  
Alternatively, you can simply cut a wavy edge with your paper snips if you don't own the dies.
7. Adhere Designer Series Paper strips to the sides of the card base.
8. Use the Take Your Pick Tool to place a hole in the middle of the 1/2" x 3" piece of window sheet and in the top middle of the smallest Summer Splash cardstock.  
Place a washer on a brad before feeding the brad through the window sheet, then cardstock. Add another washer to the back before folding the brad open.  
Since SU no longer sells brads, here is a good alternative: <https://amzn.to/4a5QZws>  
For washers, I use these: <https://amzn.to/4a5QZws>
9. Place foam strips along the sides of the smaller Summer Splash piece of cardstock. Peel the backing off and adhere to the middle of the larger (wave) piece of Summer Splash cardstock. Adhere the single goldfish with a dimensional to the top of the piece of window sheet.
10. Place adhesive to the sides of the Crumb Cake cardstock. Adhere to middle sections of card base, creating a "bridge"
11. Place adhesive on the sides of the Summer Splash cardstock and adhere behind the Crumb Cake bridge, towards the back of the card. Press the sides down and make sure the card will fold easily from side to side.
12. Use dimensionals to attach the submarine, crab, algae, and starfish.
13. Adhere the 2-3/4" x 4" Basic White piece to the back of the card. This is where you can write your personalized message,
