## Project Recipe:

### 1. Cut Cardstock

Shy Shamrock: 4-1/4" x 11", scored at 5-1/2" (card base)

Shy Shamrock: 3" x 4", scored at 1", 2", and 3" (mechanism part 1)

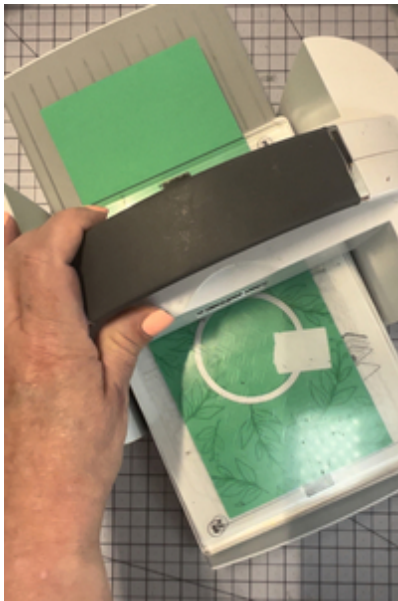

Shy Shamrock: 3/4" x 2-1/4", scored at 1-1/4" (mechanism part 2)

Basic White: 4" x 5-1/4" (inside card)

Basic White & Pretty in Pink: scraps for die cutting circles

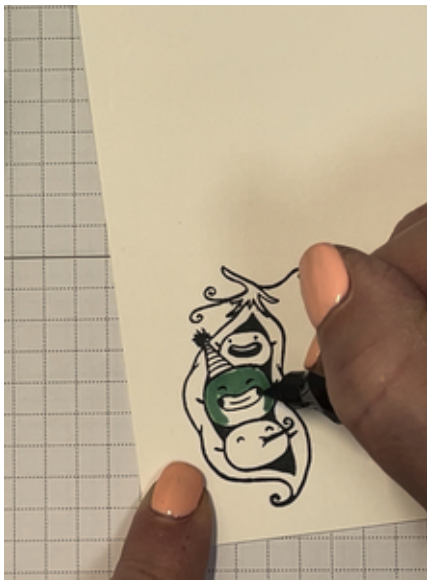

2. Stamp large and small leaves randomly in Shy Shamrock ink on the front of the Shy Shamrock card base.

3. Die cut the 2nd largest circle from the Stylish Shapes die from the top/center of the card front.

You'll also want to die cut a Pretty in Pink circle the same size and a Basic White circle that is one size smaller.

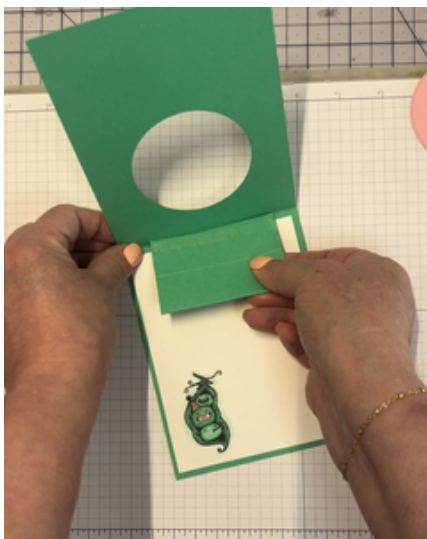

4. Stamp single pea in Black ink onto Basic White circle and color with blends. Stamp greeting below image.

Stamp 3 peas (one with party hat) in lower left corner of 4" x 5-1/4" Basic White cardstock in black ink and color with blends.

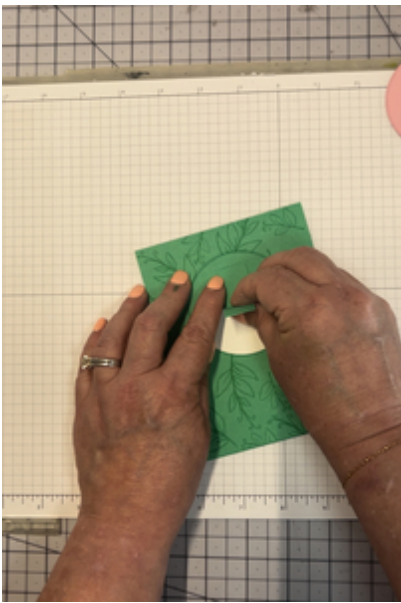

5. Adhere Basic White cardstock to the inside of the card.

6. Place Tear & Tape adhesive on the ends of the 3" x 4" piece of Shy Shamrock cardstock. Line up with the inside card crease, centering on the cut out circle. Close card to adhere.

7. Line up the 1" end of the 3/4" x 2-1/4" strip of Shy Shamrock cardstock to the mechanism that peeks through the die cut circle and adhere with a piece of Tear & Tape.  
Fold the other end down and adhere the Pretty in Pink die cut circle with Tear & Tape.

8. Use dimensionals to attach the Basic White circle to the Pretty in Pink circle.

9. Attach a few resin dots to the front for embellishment.
