Project Recipe:

1. Cut several strips of Mixed Media Florals Designer Series Paper to 1" x 6". Then cut them diagonally lengthwise.
2. Cut Basic White cardstock to 4-1/4" x 5-1/2". Cover surface with a thin layer of liquid glue.
3. Beginning in the middle of the card, start adhering the diagonal strips one at a time until the whole card is covered.
4. Trim cardstock to 4" x 5-1/4", making sure all the excess paper strips are removed.
5. Layer starburst background onto a 5-1/2" x 8-1/2" piece of Basic White cardstock that has been scored at 4-1/4".
6. Stamp the floral image in black ink onto Basic White cardstock, then die cut. Adhere to card with dimensionals.
7. Add the greeting of your choice from the ephemera pack.
8. Embellish with the low profile dots.
